

Le palais des phantasmes: Directed by Alain Payet. With Tony Carrera, Connie Dax, Crystal de Boer, Eva Falk. Itâ€™s only through this film that I began to understand how many people not only read books, but love to read, and how many books I can boast of! And this despite the fact that I donâ€™t even remember that at least once in my life I re-read something. But I don't just love this particular genre. And this film is not about how we, with enviable perseverance, overcoming all difficulties, go to our goal. Not even about what love is.
