Why do you need to declare your ZIP code? It's a new requirement from the USPS. If you provide a ZIP code for delivery, we can use it to more accurately estimate the delivery time and cost. This makes your order even faster and cheaper. This also means that for U.S. addresses, this page will always include the complete ZIP+4 US address, so you can print it, or just copy it out for your own use. From outside the U.S., please go to to look up your ZIP+4 overseas. If you have questions, please don't hesitate to contact us by email at or by phone at 1-800-USPS-2822. We have over 7 million First-Class/Priority Mail items shipped daily. Thanks for your business! If you prefer to not provide a ZIP or seem to have an undeliverable address, please contact us by email at or by phone at 1-800-USPS-2822. We will process your order and try to find a solution for you. Can't track order #XYZ If you have tried to track your package #XYZ on the USPS website but it said your tracking number was not available, please email us at or call 1-800-USPS-2822. We'll be glad to help you track it. Website Privacy: We respect your privacy. That is why we don't sell any mailing list, nor do we give your email out to anyone. In fact, we've never done so, and we don't intend to. You can always opt out of our email newsletter - just sign up to our email list, as indicated on every page of our site. Why we are using the email code: Please enter the order code you received from the USPS. We need it to verify your order. If you did not get an email or it does not have the code, please email us at (Why would you enter it twice?) Comments: We would very much like to know what you think about our products and services. It helps us improve our business. Contact us: We d0c515b9f4
