Provide your adventurers with extra-special gear when you celebrate the Chinese New Year with Neverwinter Nights 2. Discover a new fantasy adventure where half of all the major characters are immigrants or descend from immigrants of different ethnic backgrounds. Follow the fascinating adventures of a young Chinaman, Lin Chung, and his friends, as they answer the call to adventure and embark on a perilous mission against a rogue Celestial. Neverwinter Nights 2 takes the series' fast-paced free-form gameplay, rich character interaction, and wild story line to new heights. Enjoy the game's Dark Sun setting for the first time in Neverwinter Nights history, where users can gain access to all the temples, races, religion, and magic they need to fulfill their quests. The full-featured free roam feature adds an even greater sense of freedom to explore, and provides players with the tools to interact with NPCs. The time-based A.I. feature adds another layer of challenge as well as a whole new dimension to gameplay. Through job advancement, players can level up and acquire new skills as the years pass. Further, a number of different endings are available depending on how users react to NPCs, their choices, and the story events that unfold during quests. Key Features: Free Roleplaying: Players face a variety of challenges in free-form real-time strategy games, and they have the freedom to decide how to handle NPCs in a variety of interactive situations. Neverwinter Nights 2 players can select a party of up to six characters, each with his or her own strengths and weaknesses. A free-form tactical combat system makes it easy to attack or defend by simply clicking on the appropriate part of the screen. Character Interaction: Each of Neverwinter Nights 2's characters has different strengths and weaknesses, so players will interact with them differently throughout the story. Follow the adventures of the three Lin family members: Lin Chung, his father (a Chinese immigrant), his younger brother (a Caucasian American), and his mother (a Chinese American). The player characters can work together to accomplish quests, or they can choose to work alone. New Dark Sun Setting: Players have the freedom to experience the classic Neverwinter Nights 2 setting in one of several locations: the Elemental Plane of Fire, the Elemental Plane of Earth, the Elemental Plane of Wind, a Technicall'p Sun of the Azerun Empire, and the Elemental Plane of Shadow. Over 70 Quests: From heroic quests to quests of the humorous variety, Neverwinter Nights 2 has a variety

Chloe Babcock was captured by slavers and sold at the slave market. She was rescued by a young man named Jack, who recognized that she was destined for greatness. Some time later Chloe became involved with Prince Nicholas, who was a member of the kingdom of Navarro. After an unfortunate event, Chloe was imprisoned at the castle La Casa Del Fuego and that is where I found her. She has a lot of residual magic that I can now use in order to help her in her journey to escape La Casa Del Fuego. Chloe Babcock is the main female protagonist of the story. Compared to other characters, she is free thinking and endearing. She is very generous and compassionate and will only use her skills for good. In The Legend of Heroes: Trails of Cold Steel III, Chloe is the commoner of the royal family and decides to leave to join her father and siblings at the Lake La Rochelle. However, her return to the empire is arrested by Imperial Guards, who

- 31 Everything posted by Adrienne Traynor Is it just me, or are the concept arts for all the important characters slightly larger than the flat art and promo art that came with the E3 demo? Check it out in this image. > I don't think that the flats are significantly bigger than the concept art, but I'm pretty sure that the concept art is set at a camera angle where they are usually shown on promotional material. Since I'm one of the youngest officers on record, I was given the title "The Youngest Matou" because I was only seven years old when I worked at the Hot Springs Support Center. ...>I feel like I'm the only one in my department who hasn't played The Legend of Heroes: Trails of Cold Steel yet... O_o... I don't really know what the point of the walking simulator is, if you want to save the world, you need to take the road less traveled. Why play audio? By the way, I have listened to the audio from the demo on a few occasions, and I do agree with the narrator of the game.

Huh...I've never thought about it that way... D: I must say that I like it more than Unlimited Odyssey, ...>I feel like I'm the only one in my department who hasn't played The Legend of Heroes: Trails of Cold Steel yet... O_o... Sounds like a sad place to start Story Mode, doesn't it? The introduction to the game is a bit misleading because they have manipulated the song you hear to make it sound like you're kind of walking around during it, but in reality, the song you hear sounds a lot like the end of Uncivilized while you're following the awakening. ...>I don't really know what the point of the walking simulator is, if you want to save the world, you need to take the road less traveled.
