Here you can experience a quest and adventure in the Lands Between, set in a middle-aged man's life. If you have come from the world of orcs, in the east, I will give you a warm welcome. If you have come from the world of the elves, in the west, I will give you a warm welcome. If you have come from the world of humans, in the north, I will give you a warm welcome. The lands between the four directions are filled with people, including heroes, dukes, and servants.

### **Elden Ring Features Key:**

- Simple yet deep character development system.
- An epic and diverse multilayered story that lets you become your own hero.
- Supporting gameplay from the start, so new players can easily understand the basics without resorting to tutorials.
- A fourth-person perspective that you feel as if you are controlling the action, turning even the smallest of things into a thrilling experience.
- Heroes, weapons, magic, and companions that change role and appearance depending on the situations you find yourself in.
- A vast world and the excitement of discovering who dwells within.
- Optionally design your character with various aspects such as gender, age, and hair color, giving you a multitude of options, and then combine them to make yourself into a unique monster.
- The game features a "light" combat system for beginners, which makes it easy to learn, but once you have mastered it, a "heavy" combat system opens up, which allows you to expand your horizons.
- Your biggest tool is the armament of your hero, so the game is suitable for both beginners and experienced RPGers.
- A diverse landscape environment to explore where you can find large cities and randomly generated dungeons.
- Various enemies, spells, and so on can be obtained throughout the game.
- Online capability providing endless fun.
- Mission System allowing you to play a bigger role
- Challenge many other players to harmoniously explore lands filled with excitement.
- Chapter Select to create and enjoy your own history.
- Six "branching" characters to represent the different players of the Lands Between.
- A large variety of items, armors, weapons, and magic.
- A story that leads you to believe that you are a protagonist by a voice that your character says in daily situations.
- An extensive and exciting story that the player will learn as the game progresses.

## Elden Ring (April-2022)

ABOUT TROPHY GAME ----- Trophies are added to your account when you defeat a number of enemies that are given in the game. Win the 'World Champion' Trophy for defeating enemies in every stage, and the 'All-Star' Trophy for defeating enemies in every stage that appear in the 'Fairy' Battles stage. In addition to this, you can win the 'Rookie' Trophy for defeating enemies in every stage, and the 'Hidden' Trophy for defeating enemies that are hidden at the end of the stage. Collect trophies to acquire big weapons that do big damage on a global scale, and acquire the items that can be used for equipment for each element. Rising from the beginning of the journey, you can grow your Trophies by equipping certain equipment, or participate in related in-game events.

- The Evolution of Customization You can freely customize the appearance of the character while going through a variety of weapon and armor sets. You can change your character's equipment to meet the changing circumstances in battle, and create a more suitable character for your play style.
- A Vast World A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- Strategic Battle Strategic battle with a sense of the 'Rise of the Legend' in its elemental characteristics. It is a battle that demands tactics and strategy, with the battle scene taken to a higher level, and there are more varied special attacks and skill system elements.
- Combining Weapons and Armor A battle that requires tactical and strategic planning, but also requires the use of high-level equipment. In the world of the Elden Ring, weapons and armor are connected by the power of the 'Elden Ring.' The skills that change your weapon or armor are also affected by your character's equipment, so choose the equipment that best suits your play style.
- Tales of Multiplayer A mysterious time in the world of the Elden Ring. The world of the Elden Ring is filled with a world of trouble where the machinations of the enemy are to be found everywhere, and the dimension of the real is intersecting with the dimension of the game.
- Attend an Asynchronous Online Event You can play while being connected to others, even while having to pause

**What's new in Elden Ring:**

**1. Create a Tarnished Character 2. Call Upon Grace 3. Travel Beyond the Border to the Lands Between**

In Tarnished, development is now 80% complete, and Itch Entertainment, the company that is developing the game, announces the release of the game on January 29, 2018.

**A brief introduction...**

Tarnished has gone from a fantasy action RPG to an online MMORPG. Rather than taking players to a fantasy world as a prequel to a previous OnLive title, Tarnished is a new title designed from the ground up to be played through a phone. We turned the RPG genre on its ear, and turned it upside down. Let's get started with Tarnished.

Elden Ring and the Lands Between are thrown off balance when a young girl begins a quest to find a new Hero who has turned his back on humanity.

**3D Fantasy Action RPG on the Edge of Reality**

A 3D fantasy action RPG where battles become a blur of motion as you control a hero wielding an iconic weapon and perform 3D sword attacks. With a single swipe of the sword, you can chop your opponent into pieces. The graphics are created based on a fundamentally new vision of direction-based movement. You'll pull off impressive and detailed sword movements such as grabbing an enemy's weapon and using it to destroy it, or spinning around a sword fight to keep your opponent in sight. Even positioning and timing fights and performing stylish sword attacks will be enhanced.

Switch your weapon mid-battle to use the superb elements of the dynamic combat system, or use your power with "grace." When you call upon your own grace, you will find a new dimension to support your actions. Call forth your inner power and instinct to battle with grace. Whereas before you fought by taking out your opponents with strength, you will now be able to add grace to your fight—changing what you're capable of doing by turning strength into grace!

**A Whole New World**

The game's world is an expansive open field. You won't be teleported from a dungeon to a battleground as in other action RPGs

Play the game. » Description The year is 2017 and the lands between the North and South regions are in a state of chaos. Those who have lived for over a decade of the Blood War have apparently disappeared, and the orders of the Elden Lord, who have held this land in peace for over 500 years, have collapsed. Now is the time for you to choose the side you will be behind. What will you choose - to save the lives of the people of the Lands Between or shall you be consumed in the undeath of the lands? The story begins in the land of Izumi, the port city of the North, where you will be greeted by the Elden Lord, Lewese. He has chosen you to be his successor and will assist you in your journey towards becoming the new ruler of the land. Let us now begin our journey. Your life, your decisions, your destiny, yours to make. This new roleplaying game will mix fantasy anime characters and monsters with new and original character designs from GungHo Online Entertainment. Players will be able to create their own character in a wide range of different classes and specialize in a number of different areas. Each new area will contain a number of quests and dungeons, and you will be free to complete them however you want. Each area of the game has its own story and quests, and there are also various sidequests and multiplayer modes for friends to enjoy. In addition to the single-player mode, we also plan to include a large number of online elements, which will allow players to be able to play with other people or to play in the same world as friends and connections, and to participate in localized chat rooms, or even to become guild leaders. PLEASE NOTE: This title is only compatible with the GungHo Online Entertainment account, and may not be compatible with all platforms or networks.Shop the Look Hannah Horan has become a style icon, thanks to her effortless sense of style.
